Wilsonart Flooring Voted Best Overall Laminate Manufacturer

TEMPLE, TX — (May 19, 2006) — Wilsonart Flooring has been named “Best Overall Laminate Manufacturer” in the 10th Annual Award of Excellence competition sponsored by *Floor Covering News* and The World Floor Covering Association. Wilsonart Flooring emerged as the premier supplier over all competing brands to win the first place award. The award recognizes Wilsonart Flooring’s commitment to leading the laminate flooring industry.

“We are thrilled to be honored by the supporters of *Floor Covering News* and the WFCA,” says Curt Thompson, General Manager for Wilsonart Flooring. “The award is a testament to all of the hard work our team, our distributors and our retail partners have put into making the Wilsonart Flooring brand number one.”

The annual Award of Excellence competition was established in 1996 as a way for customers to honor the companies they feel consistently provide the best service, professionalism of sales force, management responsiveness, value, design, B2B, handling claims and ease of doing business. In other words, which manufacturers they feel help them the best in running successful, profitable business operations.
